

# WINDSHIELD REPAIR JOURNAL

Ultra B-O-N-D

August/September 2004

## NEW STAINLESS STEEL INJECTOR

*This new injector is, quite frankly, perfect!*

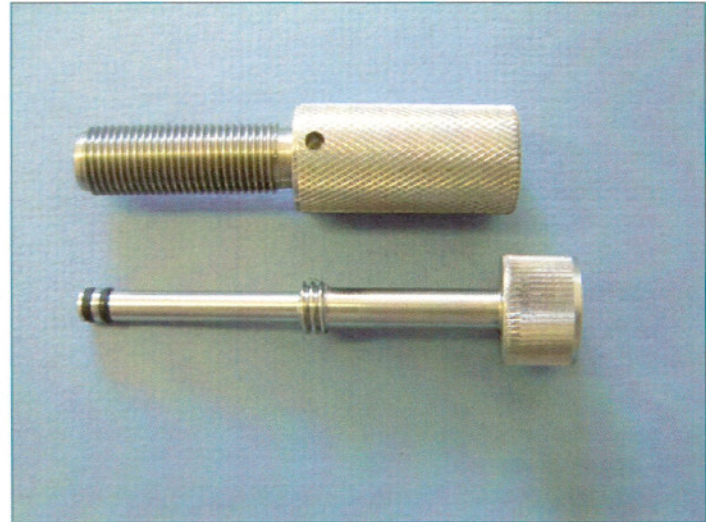

- It is made of high quality stainless steel;
- Holds 34 drops of resin; has 50% more vacuum;

**Steel Injector**

**Steel Injector With Heater**

### Steel Injector Apart

(3½" Piston — 3" Cylinder — Extends to 4½")

- Has two heater ports for heating resin; large diamond grooved handle for easy assembly into the structure and leveling; steady hand injector sliding of edge cracks; large vertically grooved piston head for sure easy grip turning;
- Can do five stone breaks without refilling the injector.

Regular price: \$125.00. They are on sale for \$99.00. And since it takes three injectors to do long cracks you can get three for \$275. Sale ends September 30.
